

World-class, tuition-free, public charter school

# The #1 public school network is coming to North Phoenix / Anthem!

Ten of the top 17 ranked charter high schools in the U.S. are BASIS Charter Schools!

## BASIS Phoenix North Opening August 2024

At **BASIS Phoenix North**, we are committed to laying a strong academic foundation for our students. It starts in kindergarten, with dynamic, hands-on activities that encourage students to explore their natural curiosity. From grades K-3, we follow a co-teaching model with two teachers in each classroom.

At all grade levels, your student will be engaged, challenged, and given opportunities to discover new passions. Students follow the BASIS Charter School Curriculum, which is designed to help them master concepts at an accelerated rate. Additionally, our students learn essential skills such as critical thinking, organization, time management, and study strategies.

✓ **STEM-infused, liberal arts curriculum**

✓ **Full-day and half-day kindergarten**

✓ **Co-teaching model for grades K-3**

✓ **Before-school and after-school programs**

✓ **Extracurricular activities**
